PETITION UNDER 37 CFR §1.137(a) TO REVIVE UNAVOIDABLY ABANDONED
APPLICATION BASED ON FAILURE TO RECEIVE OFFICE ACTION

Pursuant to 37 CFR §1.137(a) and in response to the Notice of Abandonment mailed June 15, 2004, applicant hereby petitions to revive the abandoned application. The application was abandoned for failure to respond to the Notification of Non-Compliance as mailed April 6, 2004. Applicant, however, submits that any delay was unavoidable as evidenced by the attached copies of:

1. Declaration of Susan R. Young;
2. Exhibits A and B; and
3. Declaration of William E. Booth.

Based on the foregoing evidence, applicant submits that any delay was unavoidable since applicant did not have any opportunity to respond to the Patent Office's requirements within the set time period. Therefore, applicant requests that the abandonment be withdrawn and that the enclosed Revised Brief on Appeal be accepted as a response to the Notice of Non-Compliance mailed April 6, 2004.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

DECLARATION OF SUSAN R. YOUNG

I, Susan R. Young, declare as follows:

1. I have been employed by Fish & Richardson P.C. since December 1, 1980, in various administrative and managerial positions. Since August 1, 2003, I have been the Manager of Docketing and Annuities.

2. When mail is received by Fish & Richardson P.C. from the U.S. Patent and Trademark Office ("PTO"), the mail is entered and docketed into the Fish & Richardson P.C. computerized docketing system and entered into a manual log of all PTO mail received to date. It is then sent to the attorney in charge of the case for entry into the file.

3. According to our docket system the case identified as U.S.S.N. 09/826,720 filed April 5, 2001 corresponds to client/matter number 02894-596002.

4. I have checked our computerized docketing system and found that the April 6, 2004 correspondence concerning the above-captioned case was not entered or docketed.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

5. I have checked our manual mail log (Exhibit A) for the period of time from April 6, 2004 through April 30, 2004. If we had received a PTO action for application number 09/826,720, I would expect to see an entry in the mail log which would include the date received; the Fish & Richardson reference number(02894-596002); and the base date of April 6, 2004. There is no record of ever receiving the Notice of Non-Compliance mailed April 6, 2004.

6. I also checked copies of our docket printouts (Exhibit B) showing docketing deadlines occurring on May 6, 2004, the deadline for responding to the Notice of Non-Compliance mailed April 6, 2004. Each entry in Exhibit B identifies the docketed date; the Fish & Richardson reference number; the U.S. Serial Number; a description of the action; and a description of the type of deadline. For application U.S.S.N. 09/826,720, if we had received a Notice of Non-Compliance dated April 6, 2004, I would have expected to find the docketed due date of May 6, 2004 for response to Notice of Non-Compliance. I did not find such a docket entry in the docket printout for May 6, 2004. A copy of the docket printout for May 6, 2004 is attached as Exhibit B.
